2016-2017 Parent Partnership Agreement

We at St. Patrick's are committed to helping you bring up your child(ren) in the truths of our Catholic Faith. However, teaching the Faith to your children is ultimately your right and responsibility. We are here to assist you in this task. For our work to be effective, you must be prepared to take seriously, cooperate with, and abide by the policies set in place to help your child(ren) receive the fullest benefits of the program. Your child's success depends on your involvement.

- 1) I will put forth a faithful example for my children of obedience to the Commandments and the laws of the Church, and strive to make my Faith a part of my everyday life.
- 2) I commit to faithfully attending Mass with my family every weekend and Holy Day of Obligation.
- 3) I will actively participate though volunteer service to the Parish and participate in all Parish Religious Education programs and events.
- 4) I will support the mission of the parish through weekly Sunday offerings by using the parish envelopes/online giving program.

The Parish community realizes families may experience hardship in making substantial monetary charitable offerings on a regular basis. For those that are unable to make regular Sunday offerings, your intention to give and participation in Sunday Worship is made evident by the placement of the weekly offering envelope in the collection basket, even if the envelope is empty.
