

ST. PATRICK'S NEWS & NOTES

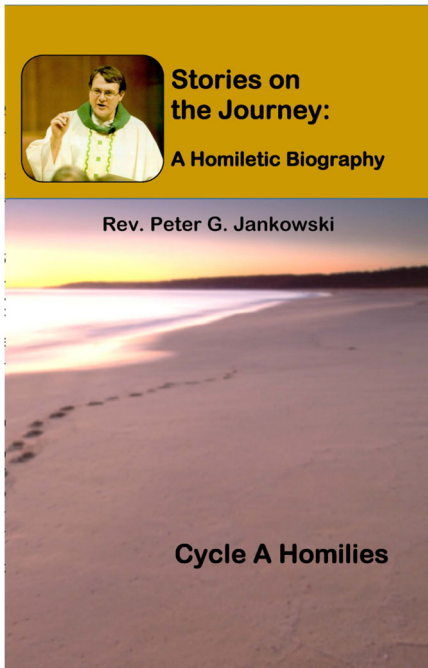

OCTOBER 18, 2016

Dear Friends of the Mailing List:

Right now, I am supposed to be at a diocesan retreat with our clergy, taking a week off in prayer and spending social time with the other priests of the diocese. Unfortunately, I spent Monday at the hospital, the recipient of two cortisone shots on the knees and a \$1,400 brace that I am hoping insurance will cover! According to the doctors, I probably will need to return in a couple months for "gel shots" (I told him I would prefer "Jell-O Shots," even though I don't drink... except altar wine) and then, down the line, partial/full knee surgeries on both knees.

I knew this problem was inevitable. Back in 1996 after ordination, the bishop was receiving letters from my parishioners that I acted sacrilegiously by *not* genuflecting all the way down during my prayers at Mass. After the bishop chuckled about the letters, I told him that if I ever went *down* on the knee regularly at Mass, he would be lucky if I ever got back up! I took x-rays last year of the knee to find out I have worn tissue due to arthritis (I guess it comes at all ages!) and that my future under the scalpel was inevitable. Keep praying for me - it's not the end of the world but don't expect me doing any "full genuflexions" in the near future!

As I will discuss over the next few weeks, our budget this year will be about \$25,000 short where we need to be. Part of this is due to the \$13,000 in delinquent tuition from religious education - this is a problem that exists in every parish throughout the world but nevertheless needs to be addressed. Yes, our collection should go up about \$500 a week but we are a poor to middle-class parish and I get the fact that we don't have that many resources (except, if you think about it, sacrificing one Starbucks coffee or fast food lunch a week and donating the proceeds to the parish would pretty much solve that problem as well).

That said, we have been working on a way to *save* on our electric bill, thus reducing our spending in a significant way!!!

Attached is an estimate from **GO GREEN SOLUTIONS**, who work with **COMMONWEALTH EDISON** in giving rebates to parishes who switch over to LED lights on the property. If we move fast (like within the next two weeks), Com Ed gives discounts on a first-come, first served basis. If we raise the \$14,662.20 in the next two weeks, we get the \$6,502.00 rebate from Com Ed, who tells us that if we do so, the electric bill can go down as much as 40-60% on the property. This bill covers all parts of the property *except* the

church proper, but we received a \$9,000 gift from an anonymous parishioner (who also is providing us with free materials to retile all our classrooms around the church) to cover the lights in the church. **IF YOU OR SOMEONE YOU KNOW CAN HELP US RAISE THE JUST UNDER \$15,000 TO COMPLETE THIS PROJECT, PLEASE CONTACT THE CHURCH (OR ME!) AT YOUR EARLIEST CONVENIENCE.**

On sale at the office is the book of homilies I just published, entitled, **[STORIES ON THE JOURNEY: A HOMILETIC BIOGRAPHY](#)**, published by Christian Lighthouse publishing. The cost of the book is \$12 and all the proceeds go to the parish – this is one of my contributions towards doing my part in the ministry. You can also purchase them on Amazon.com at the following link:

Rather than attaching the Bulletins, Homilies and Newsletters as I have done in the past, I think it best to just send them as links from our www.stpatsjoliet.com website so that the files I am sending out are not so large. This way, those with limited sized inboxes will not have a problem getting these communications. Thanks for understanding!

Here is the bulletin for October 22-23, 2016:
